 FL Final Docket List.xlsx

<!--[endif]-->

Hi all,

After consulting with Kelly, I made a folder for the final docket materials for the FL decision. With the FDMS changes coming up, I just wanted to start getting stuff together.

Ex. 6 Personal Privacy (PP)

I'm attaching a spreadsheet of items that I think could/should go in the docket, although I do have a lot of questions. We'll have to work with OGC/ORC eventually to get a list approved. I will look through the Sharepoint to see what I can gather and copy into our docket folder so items are ready to upload, and perhaps the contractors will have capacity to help with 508'ing. We're also working with OGC to figure out what meetings need to be accounted for in the docket (e.g., recording any public meetings we've held; and during what time period), so will keep you posted on that.

Best,
Whitney
